

ROHAN K SHINE

III YEAR - COMPUTER SCIENCE ENGINEERING STUDENT

PROFESSIONAL SUMMARY

Enthusiastic and self-motivated Engineering student with a strong interest in Web Development, passionate about creating user-friendly and visually appealing web applications. Currently pursuing a Bachelor's degree in Computer science Engineering, with hands-on experience in HTML, CSS, JavaScript, Python, and frameworks Bootstrap Skilled in developing dynamic websites, interactive user interfaces, and web-based applications, while continuously exploring new technologies and improving problem-solving skills. Adept at working in team environments, meeting deadlines, and adapting to evolving tech stacks. Also holds a creative edge through experience in UI/UX design

PROJECTS

Restaurant website:

- Developed a responsive landing page using HTML, CSS, and JavaScript.
- Incorporated interactive UI features and improved user experience.
- Achieved 85% user satisfaction in internal usability testing.

Railway ticket reservation:

- Built a basic Railway ticket reservation system using Python.
- Implemented database using CSV.
- Incorporated Ui using Tkinter.

EDUCATION

SCMS School of Engineering and Technology | 2023 - Present

B.Tech Computer Science and Engineering

Chinmaya Vidyalaya | 2021-2023

Higer secondary education

CERTIFICATIONS

- AI workshop
- PostgreSQL from Udemy
- Ethical Hacking
- IEEE workshop

ACHIEVEMENTS & EXTRA CURRICULAR

- Hackathons & Makeathons : Participated in multiple college-level hackathons, contributing to innovative problem-solving and team collaboration.
- Workshops : Attended various workshops on emerging technologies and participated in IEEE project based learning initiative.
